Please refer to the **Request for Proposal for Provision of Consultancy Services for Design, Rehabilitation, Construction and Supervision of National Oil Service Stations - REF No. NOCK/PRC/03(1321) 2017-2018** advertised on, November 21st, 2017.

We hereby issue this 1st addendum after requests for clarification were raised as follows:

| No. | Bidder's Query/Clarification Request (quoted as asked) | National Oil Response and/or amendment to the tender |
|------------|---|---|
| 1 | Kindly give clarifications on whether a Licensed Engineer can take the role of a lead consultant. | <i>National Oil amends item MR 6 on page 17 of the Request for Proposal to clarify that a Licensed Engineer can take the role of a Lead Consultant.</i> |
| 2 | Do we need to sign consortium agreement before submission of the tender? | <i>National Oil clarifies that bidders who wish to submit their bids as consortiums need to sign consortium agreements setting out the rights and obligations amongst themselves.</i> <i>Please refer to Clause 2.3.3(a) of the tender –‘While preparing the Technical Proposal, consultants must give particular attention to the following: - if a firm considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub-consultancy as appropriate. Consultants shall not associate with the other consultants invited for this assignment. Any firms associating in contravention of this requirement shall automatically be disqualified.’</i> |
| 3. | Do we need to submit audited accounts as a consortium or individual firms? | <i>National Oil Clarifies that tenderers submitting their bids as a consortium need to provide individual audited accounts for firms in the consortium.</i> |
