## 2.1 Eligible tenderers

- 2.1.1.** This Invitation to tender is open to all tenderers eligible as described in the instructions to tenderers. Successful tenderers shall provide the services for the stipulated duration from the date of commencement (hereinafter referred to as the term) specified in the tender documents.
- 2.1.2.** The mandatory documentation as given under the Appendix to Instructions to Tenderers – clause 2.29 must be submitted as they will be used for confirmation of eligibility of the tenders.
- 2.1.3.** The tenderers are required to submit a duly filled and signed viewing certificate (Section VII – 9) that they will use in giving the prices.
- 2.1.4.** The procuring entity’s employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender unless where specially allowed under section 131 of the Act.
- 2.1.5.** Tenderers shall provide the qualification information statement that the tenderer (including all members, of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Procuring entity to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the services under this Invitation for tenders.
- 2.1.6.** Tenderers involved in corrupt or fraudulent practices or debarred from participating in public procurement shall not be eligible.

## 2.2 Cost of tendering

- 2.2.1** The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the procuring entity, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.
- 2.2.2** The price to be charged for the tender document shall not exceed KShs 1,000.
- 2.2.3** The procuring entity shall allow the tenderer to review the tender document free of charge before purchase.

## 2.3 Contents of tender documents

- 2.3.1** The tender document comprises of the documents listed below and addenda issued in accordance with clause 2.5 of these instructions to tenders
- i) Instructions to tenderers

- x) Tender security form
- xi) Performance security form
- xii) Principal's or manufacturers authorization form
- xiii) Declaration form

**2.3.2.** The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

#### **2.4 Clarification of Documents**

**2.4.1** A prospective candidate making inquiries of the tender document may notify the Procuring entity in writing or by post, fax or email at the entity's address indicated in the Invitation for tenders. The Procuring entity will respond in writing to any request for clarification of the tender documents, which it receives no later than seven (7) days prior to the deadline for the submission of tenders, prescribed by the procuring entity. Written copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers who have received the tender documents”.

**2.4.2** The procuring entity shall reply to any clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

#### **2.5 Amendment of documents**

**2.5.1** At any time prior to the deadline for submission of tenders, the Procuring entity, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by issuing an addendum.

**2.5.2** All prospective tenderers who have obtained the tender documents will be notified of the amendment by post, fax or email and such amendment will be binding on them.

**2.5.3** In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Procuring entity, at its discretion, may extend the deadline for the submission of tenders.

#### **2.6 Language of tender**

**2.6.1** The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchanged by the tenderer and the Procuring entity, shall be written in English language. Any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

## 2.7 Documents Comprising the Tender

2.7.1 The tender prepared by the tenderer shall comprise the following components:

- a) A Tender Form and a Price Schedule completed in accordance with clauses 2.8, 2.9 and 2.10 below.

- c) Tender security furnished is in accordance with Clause 2.12.
- d) Confidential business questionnaire.

## 2.8 Form of Tender

2.8.1 The tenderers shall complete the Form of Tender and the appropriate Price Schedule furnished in the tender documents, indicating the services to be performed.

## 2.9 Tender Prices

2.9.1 The tenderer shall indicate on the Price schedule the unit prices where applicable and total tender prices of the services it proposes to provide under the contract.

2.9.2 Prices indicated on the Price Schedule shall be the cost of the services quoted including all customs duties and VAT and other taxes payable.

2.9.3 Prices quoted by the tenderer shall remain fixed during the term of the contract unless otherwise agreed by the parties. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to clause 2.22.

2.9.4 Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

2.9.5 Where contract price variation is allowed, the variation shall not exceed 10% of the original contract price.

2.9.6 Price variation requests shall be processed by the procuring entity within 30 days of receiving the request.

## 2.10 Tender Currencies

2.10.1 Prices shall be quoted in Kenya Shillings unless otherwise specified in the appendix to in Instructions to Tenderers

## 2.11 Tenderers Eligibility and Qualifications

2.11.1 Pursuant to Clause 2.1 the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

**2.11.2** The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall establish to the Procuring entity's satisfaction that the tenderer has the financial and technical capability necessary to perform the contract.

## 2.12 **Tender Security**

**2.12.1** The tenderer shall furnish, as part of its tender, a tender security for the amount and form specified in the Invitation to tender.

**2.12.2** The tender security shall be in the amount not exceeding 2 per cent of the tender price.

**2.12.3** The tender security is required to protect the Procuring entity against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to clause 2.12.7.

**2.12.4** The tender security shall be denominated in a Kenya Shillings or in another freely convertible currency and shall be in the form of:

- a) A bank guarantee.
- b) Cash.
- c) Such insurance guarantee approved by the Authority.
- d) Letter of credit

**2.12.6** Unsuccessful tenderer's security will be discharged or returned as promptly as possible, but not later than thirty (30) days after the expiration of the period of tender validity prescribed by the procuring entity.

**2.12.7** The successful tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to clause 2.26, and furnishing the performance security, pursuant to clause 2.27.

**2.12.8** The tender security may be forfeited:

- a) If a tenderer **withdraws** its tender **during** the period of tender validity specified by the procuring entity on the Tender Form; or
- b) In the case of a successful tenderer, if the tenderer fails:
  - i) to sign the contract in accordance with clause 2.26; **or**
  - ii) to furnish performance security in accordance with clause 2.27.
- c) If the tenderer rejects, correction of an error in the tender.

## 2.13 **Validity of Tenders**

**2.13.1** Tenders shall remain valid for 90 days or as specified in the invitation to tender after date of tender opening prescribed by the Procuring entity, pursuant to clause 2.18. A tender valid for a shorter period shall be rejected by the Procuring entity as nonresponsive.

**2.13.2** In exceptional circumstances, the Procuring entity may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under clause 2.12 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

## 2.14 **Format and Signing of Tender**

**2.14.1** The tenderer shall prepare two copies of the tender, clearly / marking each "ORIGINAL TENDER" and "COPY OF TENDER," as appropriate. In the event of any discrepancy between them, the original shall govern.

**2.14.2** The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing the tender.

**2.14.3** The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

## 2.15 **Sealing and Marking of Tenders**

**2.15.1** The tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as "ORIGINAL" and "COPY." The envelopes shall then be sealed in an outer envelope.

The inner and outer envelopes shall:

- a) be addressed to the Procuring entity at the address given in the invitation to tender;
- b) bear, tender number and name in the invitation to tender and the words: "**DO NOT OPEN BEFORE NOVEMBER 30, 2017 AT 1000hrs (EAST AFRICA TIME)**".

**2.15.2** The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared "late".

**2.15.3** If the outer envelope is not sealed and marked as required by clause 2.15.2, the Procuring entity will assume no responsibility for the tender's misplacement or premature opening.

2.16 **Deadline for Submission of Tenders**

**2.16.1** Tenders must be received by the Procuring entity at the address specified under clause 2.15.2 **no later than November 30, 2017 at 1000hrs (East Africa Time).**

**2.16.2** The procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with clause 2.5, in which case all rights and obligations of the procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

**2.16.3** Bulky tenders which will not fit in the tender box shall be received at the **CEO's Office, National Oil Head Office, Kawi House, South C, Red Cross Road off Popo Road**

2.17 **Modification and withdrawal of tenders**

**2.17.1** The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification , including substitution or withdrawal of the tender's is received by the procuring entity prior to the deadline prescribed for the submission of tenders.

**2.17.2** The Tenderer's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of clause 2.15. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

**2.17.3** No tender may be modified after the deadline for submission of tenders.

**2.17.4** No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to clause 2.12.7.

**2.17.5** The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

**2.17.6** The procuring entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.18 **Opening of Tenders**

**2.18.1** The Procuring entity will open all tenders in the presence of tenderers' representatives who choose to attend at **1000hrs (East Africa Time) on November 30, 2017** and in the location specified in the invitation to tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.

**2.18.2** The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and the presence or absence of requisite tender security and such other details as the Procuring Entity, at its discretion, may consider appropriate, will be announced at the opening.

**2.18.3** The procuring entity will prepare minutes of the tender opening which will be submitted to the tenderers that signed the tender opening register and will have made the request.

## 2.19 **Clarification of tenders**

- 2.19.1 To assist in the examination, evaluation and comparison of tenders the procuring entity may at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance shall be sought, offered, or permitted.
- 2.19.2 Any effort by the tenderer to influence the procuring entity in the procuring entity's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers tender.
- 2.19.3 Comparison or contract award decisions may result in the rejection of the tenderers' tender.

## 2.20 **Preliminary Examination and Responsiveness**

- 2.20.1 The Procuring entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required securities have been furnished whether the documents have been properly signed, and whether the tenders are generally in order.
- 2.20.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.
- 2.20.3 The Procuring entity may waive any minor informality or nonconformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 2.20.4 Prior to the detailed evaluation, pursuant to clause 2.22, the Procuring entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these clauses, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.20.5 If a tender is not substantially responsive, it will be rejected by the Procuring entity and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

## 2.21 **Conversion to a single currency**

- 2.21.1 Where other currencies are used, the procuring entity will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the central bank of Kenya.

## 2.22 **Evaluation and comparison of tenders**

**2.22.1** The procuring entity will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to clause 2.20.

**2.22.2** The comparison shall be of the price including all costs as well as duties and taxes payable on all the materials to be used in the provision of the services.

**2.22.3** The Procuring entity's evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in clause 2.22.4 and in the technical specifications:

- a) operational plan proposed in the tender; and
- b) deviations in payment schedule from that specified in the Special Conditions of Contract;

**2.22.4** Pursuant to clause 2.22.3 the following evaluation methods will be applied:

a) ***Operational Plan.***

The Procuring entity requires that the services under the Invitation for Tenders shall be performed at the time specified in the Schedule of Requirements. Tenderers offering to perform longer than the procuring entity's required delivery time will be treated as non-responsive and rejected.

b) ***Deviation in payment schedule.***

Tenderers shall state their tender price for the payment on a schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. The Procuring entity may consider the alternative payment schedule offered by the selected tenderer.

**2.22.5** The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

**2.22.6** To qualify for contract awards, the tenderer shall have the following:-

- a) Score the minimum technical evaluation score as given in the evaluation criteria under the appendix to instructions to tenderers – clause 2.29.
- b) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
- c) Legal capacity to enter into a contract for procurement
- d) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing
- e) Shall not be debarred from participating in public procurement.

2.23 **Contacting the procuring entity**

**2.23.1** Subject to clause 2.19, no tenderer shall contact the procuring entity on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

**2.23.2** Any effort by a tenderer to influence the procuring entity in its decisions on tender evaluation tender comparison or contract award may result in the rejection of the tenderers tender.

2.24 **Award of Contract**

**a) Post qualification**

**2.24.1** In the absence of pre-qualification, the Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

**2.24.2** The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to clause 2.1.2, as well as such other information as the Procuring entity deems necessary and appropriate.

**2.24.3** An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

**b) Award Criteria**

**2.24.4** Subject to clause 2.27 the Procuring entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

**2.24.5** The procuring entity reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the procuring entity's action. If the procuring entity determines that none of the tenderers is responsive; the procuring entity shall notify each tenderer who submitted a tender.

**2.24.6** A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.25 **Notification of award**

**2.25.1** Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

**2.25.2** The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and the procuring entity pursuant to clause 2.26. Simultaneously the other tenderers shall be notified that their tenders have not been successful.

**2.25.3** Upon the successful Tenderer's furnishing of the performance security pursuant to clause 2.27, the Procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to clause 2.12.

## **2.26 Signing of Contract**

**2.26.1** At the same time as the Procuring entity notifies the successful tenderer that its tender has been accepted, the Procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

**2.26.2** Within fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

**2.26.3** The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

## **2.27 Performance Security**

**2.27.1** Within fourteen (14) days of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

**2.27.2** Failure of the successful tenderer to comply with the requirement of clause 2.26 or clause 2.27.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity may make the award to the next lowest evaluated or call for new tenders.

## **2.28 Corrupt or Fraudulent Practices**

**2.28.1** The Procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

**2.28.2** The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

**2.28.3** Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

## APPENDIX TO INSTRUCTIONS TO THE TENDERERS

The following information for procurement of services shall complement or amend the provisions of the instructions to tenderers. Wherever there is a conflict between the provisions of the instructions to tenderers and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to tenderers.

- b) “The Contract Price” means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations.
- c) “The services” means services to be provided by the contractor including materials and incidentals which the tenderer is required to provide to the Procuring entity under the Contract.
- d) “The Procuring entity” means the organization sourcing for the services under this Contract.
- e) “The contractor means the individual or firm providing the services under this Contract.
- f) “GCC” means general conditions of contract contained in this section
- g) “SCC” means the special conditions of contract
- h) “Day” means calendar day

### 3.2 **Application**

These General Conditions shall apply to the extent that they are not superceded by provisions of other part of contract.

### 3.3 **Standards**

- 3.3.1** The services provided under this Contract shall conform to the 7 standards mentioned in the Schedule of requirements

### 3.4 **Patent Rights**

The tenderer shall indemnify the Procuring entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the services under the contract or any part thereof.

### 3.5 **Performance Security**

- 3.5.1** Within twenty eight (28) days of receipt of the notification of Contract award, the successful tenderer shall furnish to the Procuring entity the performance security where applicable in the amount specified in Special Conditions of Contract.

- 3.5.2** The proceeds of the performance security shall be payable to the Procuring entity as compensation for any loss resulting from the Tenderer’s failure to complete its obligations under the Contract.

**3.5.3** The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Procuring entity and shall be in the form of

a) A bank guarantee.

**3.5.4** The performance security will be discharged by the procuring entity and returned to the candidate not later than thirty (30) days following the date of completion of the tenderer's performance of obligations under the contract, including any warranty obligations under the contract.

### **3.6 Inspections and Tests**

**3.6.1** The Procuring entity or its representative shall have the right to inspect and/or to test the services to confirm their conformity to the Contract specifications. The Procuring entity shall notify the tenderer in writing, in a timely manner, of the identity of any representatives retained for these purposes.

**3.6.2** The inspections and tests may be conducted on the premises of the tenderer or its subcontractor(s). If conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring entity.

**3.6.3** Should any inspected or tested services fail to conform to the Specifications, the Procuring entity may reject the services, and the tenderer shall either replace the rejected services or make alterations necessary to meet specification requirements free of cost to the Procuring entity.

**3.6.4** Nothing in clause 3.6 shall in any way release the tenderer from any warranty or other obligations under this Contract.

### **3.7 Payment**

**3.7.1** The method and conditions of payment to be made to the tenderer under this Contract shall be specified in SCC.

### **3.8 Prices**

Prices charged by the contractor for services performed under the Contract shall not, with the exception of any Price adjustments authorized in SCC, vary from the prices by the tenderer in its tender or in the procuring entity's request for tender validity extension as the case may be. No variation in or modification to the terms of the contract shall be made except by written amendment signed by the parties.

### **3.9 Assignment**

The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with the procuring entity's prior written consent.

### **3.10 Termination for Default**

The Procuring entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- a) if the tenderer fails to provide any or all of the services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring entity;
- b) if the tenderer fails to perform any other obligation(s) under the Contract.
- c) if the tenderer, in the judgment of the Procuring entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event the Procuring entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the tenderer shall be liable to the Procuring entity for any excess costs for such similar services.

### 3.11 **Termination of insolvency**

The procuring entity may at anytime terminate the contract by giving written notice to the contractor if the contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the contractor, provided that such termination will not produce or affect any right of action or remedy, which has accrued or will accrue thereafter to the procuring entity.

### 3.12 **Termination for convenience**

**3.12.1** The procuring entity by written notice sent to the contractor may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the procuring entity convenience, the extent to which performance of the contractor of the contract is terminated and the date on which such termination becomes effective.

**3.12.2** For the remaining part of the contract after termination the procuring entity may elect to cancel the services and pay to the contractor on agreed amount for partially completed services.

### 3.13 **Resolution of disputes**

**3.13.1** The procuring entity's and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

**3.13.2** If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

### 3.14 **Governing Language**

The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.15 **Force Majeure**

The contractor shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.16 **Applicable Law**

The contract shall be interpreted in accordance with the laws of Kenya unless otherwise specified in the SCC.

3.17 **Notices**

Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or by fax or E-mail and confirmed in writing to the other party's address specified in the SCC

A notice shall be effective when delivered or on the notices effective date, whichever is later.

#### **4 SECTION IV – SPECIAL CONDITIONS OF CONTRACT**

##### **Notes on Special Conditions of Contract**

The clauses in this section are intended to assist the procuring entity in providing contract specific information in relation to corresponding clauses in the general conditions of contract.

The provisions of section IV complement the general conditions of contract included in section III, specifying contractual requirements linked to the special circumstances of the procuring entity and the procurement of services required. In preparing section IV, the following aspects should be taken into consideration.

- a) Information that complement provisions of section III must be incorporated
- b) Amendments and/or supplements to provision of section III, as necessitated by the circumstances of the specific service required must also be incorporated.

Where there is a conflict between the provisions of the special conditions of contract and the provisions of the general conditions of contract the provisions of the special conditions of contract herein shall prevail over the provisions of the general conditions of contract.

## SECTION IV SPECIAL CONDITIONS OF CONTRACT

- 4.1 Special conditions of contract shall supplement the general conditions of contract, wherever there is a conflict between the GCC and the SCC, the provisions of the SCC herein shall prevail over those in the GCC.
- 4.2 Special conditions of contract with reference to the general conditions of contract.

## 6 SECTION VI – DESCRIPTION OF SERVICES

# TERMS OF REFERENCE-BULK LPG MILKRUN SPOT HIRE

### Introduction

National Oil intends to procure suppliers for transportation of Bulk LPG Milkrun on spot hire basis for a framework contract of three (3) years based on performance.

### Scope of Works

The scope of works includes inter depot transfer of Bulk LPG Milkrun across the country and other supplies to customer location /final destination if required.

### Specific Requirements

- **Fleet Size-** Each bidder must have minimum 3 trucks with capacity of 1MT to 10MT. The trucks must be solely owned by the bidder or may be pooled but only at least two must be owned for the purposes of this tender in which case, proof of ownership must be included with the bid.
- **Fleet maintenance plan-** For purposes of this tender, the bidder shall provide evidence of ownership of a workshop/garage equipped to carry out adequate preventative and breakdown maintenance for the fleet. In the event that the bidder has outsourced this activity, a legally binding agreement between the bidder and the service provider for the period covering this procurement must be submitted with the bid. As part of evaluation, National Oil may choose to visit the garages/workshops so submitted in this tender to confirm accuracy of information given.
- **Age of fleet-** Trucks listed for this tender shall not be more than ten (10) years old from the date of local registration and must be mechanically sound. As part of evaluation, National Oil may require to inspect the fleet, in whole or in part to ascertain the mechanical status.
- **Fleet operation-** For purposes of this tender, the bidder must submit a list of drivers assigned to operate the fleet. A summary on each driver must be included showing years of driving experience, age, any defensive driving training undertaken and any other relevant information. For purposes of this tender, Copies of licenses, certificates of good conduct, valid driving licenses and any other certificates of training for the drivers must be included as proof.
- **Driving experience -** Each driver must have at least 7years' driving experience – copies of their National Identity Cards (or any other form of identification e.g. passport copies) and Valid driving licenses must be attached.
- **Safety and security-** Each bidder shall comply fully with the safety and security requirements of National Oil listed in appendix TOR2. Noncompliance with any of these safety requirements shall lead to disqualification.

- **Statutory and legal-** For purposes of this tender all trucks included in this bid must meet the prevailing requirements laid down by NTSA, Transport Ministry, Local Authority, Environmental Authority or any other body that may be relevant. Bidders must therefore familiarize themselves with such existing requirements and comply. Any noncompliance shall lead to disqualification.
- **Goods In Transit (GIT) Insurance cover** - For purposes of this tender, bidders must provide proof of GIT for their fleet and upon award, successful bidder(s) will be required to amend their GIT to reflect National Oil as a beneficiary, which will also be captured in the contract.

## INTEGRITY PACT

### **Bidder's Oath to fulfill the Integrity Pact**

Accepting that transparent business management and fair public administration are key to social development and national competitiveness, and in an effort to purge corruption and apply sanctions to corrupt businesses, and in full support of the worthy goals of this Integrity Pact, concerning the present tender for: \_\_\_\_\_, all personnel of \_\_\_\_\_ and its sub-contractors and agents hereby agree that:

1. We shall not conduct any unethical business practices, such as bid-rigging for the sake of a particular bidder to win the bid, or price-fixing. If proven as a fact that we have engaged in bid-rigging for the sake of a particular bidder to win the bid, we shall accept to be prohibited from submitting bids placed by National Oil Corporation of Kenya (herein referred to as NATIONAL OIL) for a period of two (2) years. If proven that we have discussed with other bidders in a bid to fix a price, or rigged a bid for a particular bidder to win the bid, we shall accept the prohibition from submitting bids placed by NATIONAL OIL for a period of two (2) years. If any unethical behaviour is tantamount to a fraudulent practice, we accept that such a case may be handed over to the authorities for investigation and possible prosecution.
2. In the process of bidding, or concluding or execution of a contract, we shall not offer any bribe, gifts, entertainment or any other undue benefits directly or indirectly to related officials, and in case it is proved that we have violated any terms of this Integrity Pact in relation with a bid, or concluding or execution of a contract, or offered bribes for favours in a contract, to win a contract, or facilitate payment which should not have been forthcoming, we shall accept the prohibition from submitting a bid placed by NATIONAL OIL for a period of two (2) years. If proven as a fact that we have offered bribes to NATIONAL OIL or related officials for favours regarding a bid or contract to a bidder or a winning bidder, or for the purpose of faulty execution of the objectives of a contract, we shall accept the prohibition from submitting bids placed by NATIONAL OIL for a period of two (2) years. If proven that we have offered bribes to NATIONAL OIL or related officials in relation to bidding, or concluding or execution of a contract, we shall accept the prohibition from submitting bids placed by NATIONAL OIL for a period of two (2) years.
3. In case it is proven that we have offered bribes to a related official or a NATIONAL OIL official regarding a bid, or concluding or execution of a contract, we shall accept the cancellation of the contract, and shall not file any civil, administrative or criminal appeals.
4. We shall make our best effort to institute a Company Code of Conduct that prohibits bribery, bid rigging/fixing or any other corrupt practices in business relations with officials and NATIONAL OIL, and a company regulation that prohibits any retaliatory acts toward anyone reporting inside corruption.
5. In addition, I confirm on behalf of the bidder that the details included in the bidders profile and experience sheet and our quotation are correct to the best of my knowledge and belief. In addition, we authorize, NATIONAL OIL to seek information from any source to confirm our compliance with the requirements of this Integrity Pact.

6 The bidder authorizes NATIONAL OIL, to seek information from any source, including publication of the name of the bidder to confirm that the bidder is compliant with the requirements of this Integrity Pact.

We shall fulfill this Integrity Pact as a solemn oath made on the basis of mutual trust, and, if and when we win a bid, we shall sign and fulfill the above as a “Special Condition of Contract,” and not file any civil, administrative or criminal appeals regarding any of the above terms.
